

Shengxi Jin

Hefei, China — udon_soba@mail.ustc.edu.cn

EDUCATION

University of Science and Technology of China(USTC), Hefei, China

Sep. 2023— Present

School of Mathematical Sciences

undergraduate majoring in fundamental mathematics, member of Loo-Keng Hua Class(honor program)

ACADEMIC PERFORMANCE

Overall GPA

4.01/4.30

Core Courses GPA

4.22/4.30

Ranking

3/59 in major of Fundamental Mathematics

Experience

Chinese Academy of Sciences, Academy of Mathematics and Systems Science

Beijing

Algebra and Number Theory Summer School

July 2023 - August 2023

- A high-level learning and communicating platform for undergraduates, launched by Shouwu Zhang, Professor of Mathematics at Princeton University.

HONORS & AWARDS

- The 14th National College Student Mathematics Competition(Second Prize)
- Yang Yongman Scholarship

January 2023

December 2022

RESEARCH INTERESTS

- Complex Geometry
- Representation Theory
